## Chapel

Every Monday at 9:30am, Pastor Todd, our CITG Pastor, leads all of our students in a time of celebration, worship and spiritual growth. Birthdays that fall within that week are celebrated on stage and parents are welcome to join us whenever possible. We also sing with movement, practice listening, socializing, and comprehension.

Our focal points throughout the year are “God made me,” “God loves me,” and “Jesus wants to be my friend forever.”

## Computers

On a weekly basis, our 3 and 4-year-old children will learn basic computer skills with a mouse and keyboard. Using ABC Mouse as a tool, children will be able to participate in activities that will correlate with what they are learning in the classroom.

---

## Spanish

On Fridays, all of our classes will take part in our new Spanish class through Spanish Academy. This full immersion program will keep your child engaged through songs, activities and participation. The variety of concepts presented will allow your child to communicate in a variety of environments.
