

*Their life will be like a well-watered garden.  
Jeremiah 31:12*

# CITG PRESCHOOL

## **SICK POLICY REMINDER**

Note: If a child is put on antibiotics, the child must be on medication for a full 24 hours, and no longer contagious before returning to school.

The center will only administer prescribed medication unless over the counter medication (including homeopathic therapy) is accompanied by a doctor's note.

**DIARRHEA:** Diarrhea that occurs twice (parent will be called). After first bout of diarrhea teacher will look for symptoms of flu, cold, etc. If symptoms are present after the first bout parent will be called for pick up. Diarrhea that does not make it to the toilet, parent will be notified for pick up.

**FEVER:** of 99.9 degrees or above taken under the arm or in the ear (add a degree if taken under the arm.) Parent will be Notified Immediately. Child's temperature will be taken two more times during the next 30 minutes. If fever rises above 100.1 degrees parent is called to pick up child within one hour.

**May return to school only when child's temperature has been normal for at least 24 hours (without a fever reducing medication) and if all symptoms are gone or is no longer contagious per doctor's note.**

*Their life will be like a well-watered garden.
